

2003 - 04 Loan Repayment Award Update

- October 1, 2003, was the deadline for applications for the National Health Service Corps/State Loan Repayment Program (NHSC/SLRP) for the 2003/2004 funding cycle.
- All applications will be reviewed and scored as quickly as possible, and each applicant will receive a notice informing them of their status.
- **PLEASE DO NOT CALL TO CHECK ON YOUR APPLICATION AS IT SLOWS DOWN THE PROCESS.**
- The number of applications received has exceeded available funds. Unfortunately, not all will be funded.
- Those applications not funded initially will maintain their ranking and be kept on file. In the event that first round funding results in unencumbered funds, applications will be funded in order of their rank.
